

2023 SUMMER CTE ENRICHMENT CAMPS

Free Opportunities in Tech

TECH SESSIONS for SUMMER 2023:

Drone Piloting and Aerial Photography (July 17 - July 21)

Come spend 5 days learning how to fly and operate two different types of Drones.

Electronics and Coding with Arduino (July 24 - July 28)

Programming with a set of playful, hands-on experiments, grounded in the real world.

Electric Vehicles and Solar Vehicles (July 30 - August 4)

Participants to learn all about Electric Battery Powered and Solar Powered Vehicles

Students may attend one, two or all three sessions completely FREE!

Who: Salem students currently in grades 9-11.

Where: Room 503. Enter the high school at the circle entrance.

When: Daily from 8:30am-12:30pm during week of camp.

Note: Transportation to school will not be provided.

Sign up by returning the form below or by emailing Mr. DeSoto at tdesoto@saalemcsd.org.

Student Name: _____

Current Grade: _____
