

**Salem Washington Academy
Winter Season 2021
Basketball Preparedness Plan**

The NYSDOH has determined that Basketball is a high-risk sport (Least ability to maintain physical distance and/or be done individually; least ability to: (1) avoid touching of shared equipment, (2) clean and disinfect equipment between uses by different individuals, or (3) not use shared equipment at all).

In anticipation of receiving conditional approval from the Washington County Department of Health to participate in “Higher Risk” sports, and in accordance with NYSDOH recommendations, the “Interim Guidance for Sports and Recreation during the COVID-19 Public Health Emergency,” and the NYSPHSAA Return to Interscholastic Athletics guide, this document will serve as the Salem Washington Academy District Winter Season 2021 Basketball Preparedness Plan.

If you have any concerns related to the district’s safe operation of basketball, please use the following confidential communication means:

Telephone Number: TBD

Email Address: covidinfo@salemcsd.org

Plan Administrators:

Donald Zarzycki, Athletic Director

Julie Adams, 7-12 Principal

David Glover, Superintendent

Plan Coordinators:

Donald Zarzycki, Athletic Director

Julie Adams, 7-12 Principal

David Glover, Superintendent

Participation Level: Varsity Only

Team Size: Maximum 12

**If the Jr/Sr High School is closed or if the building is participating in full remote instruction for any COVID-related reasons, all “Higher Risk” activities are postponed until the building reopens for in-person instruction, regardless of any positivity percentage stipulations.*

***The 7-day rolling average percent positivity in the Capital Region, as calculated by NYSDOH, must be at or below 4.0% for full practices and games to continue. If the 7-day rolling average percent positivity is above 4.0%, then activities must be restricted to individual or distanced group training or organized no/low-contact group training. Therefore, if the metrics related to the positivity rate for the county move above acceptable levels, we will temporarily pause full practices and competitions.*

**Salem Washington Academy
Winter Season 2021
Basketball Preparedness Plan**

General Expectations

- All participants (coaches, players, etc.) must participate in daily screenings, temperature check and wear a mask (no gators, unless they have ear loops) at all times. The face covering/mask must be worn over the nose and below the chin at all times when in use. The only time a mask may be removed is for a drink break.
 - Face coverings are required anytime a participant is in the district, including practices, travelling on the bus, and competitions
 - If the cloth face covering/mask is removed for a break, the individual should remain at least 6 feet away from all other individuals.
 - Cloth face coverings must be washed daily in hot water and not reused until cleaned.
 - Coaches, managers, and other school employees will monitor proper use of cloth face coverings/masks and correct improper use, when indicated.
 - Vaccination status does not alter any requirements.
 - There are no exceptions to this rule unless an individual has been granted a medical clearance for an exemption.
 - Individuals with a medical condition that would be complicated by wearing a cloth face covering/mask can apply to the district/school medical director for an exemption by providing appropriate documentation that the condition will be present throughout the length of the sports season.
- In order to participate, student-athletes must:
 - Returned a signed informed consent form (through Family ID)
 - Have medical clearance from their healthcare provider.

Daily Screening

- Every athlete, coach and official are required to complete the daily health screening questionnaire upon arriving to the district before each practice/game.
- Every athlete, coach and official is required to submit to a temperature check upon arriving to the building for practice and/or competition.
- A daily attendance record keeping will be completed by the coach for all practices and contests.
 - The record will include:
 - The date and time of the practice/contest
 - The names, address, phone number, and emails of all people present during the practice/contest

Facility Management

Location: All practices will be held in the auditorium (small gym) or the main gym

- Only the student-athletes, Board of Education appointed personnel, and school administration, including the Athletic Director, will be allowed at practices and games and in the building during that time.
- Student-athletes who are dropped off, will enter through a designated location at the assigned entry time. They will then use the same location to depart after practice/contest

**Salem Washington Academy
Winter Season 2021
Basketball Preparedness Plan**

- Once in the building, approved individuals are required to remain in the designated practice area, unless prior approval has been granted by the building principal. Students should not be in the hallways, visiting their lockers, etc.
- “Ball boys,” “managers,” statisticians, or other individuals who are not formally appointed by the Board of Education are not permitted to enter the building or attend practice and/or games, including spectators and parents/guardians.
- If a parent/guardian wishes to meet with the Coach, a mutually agreed upon time, separate from practice, will be arranged; a virtual or phone meeting will be encouraged.
- Student-athletes must arrive ready to participate:
 - Locker Rooms will not be available and student-athletes are not permitted to change in the bathrooms.
 - All coaches, athletes, officials, and other site personnel are encouraged to minimize to the furthest extent possible the time spent in the facility before or after a practice/contest.

Spectators

During the Winter 2020-2021 season, spectators will not be allowed at any indoor practice or contest.

Contests

- The district will abide by the COVID-19 protocols developed, and adopted, by the member schools of the Adirondack League.
- Site administrators may pause or end the contest if safety guidelines are not followed, including, but not limited to proper mask wearing.
- Each team is only allowed to travel with the team roster and up to four individuals identified as ‘essential personnel’ (coaches are included in this number)
 - Any proposed essential personnel beyond the coaches must be approved by the Plan Administrators.

Traveling

- The daily health screening questionnaire and temperature checks must be completed prior to boarding the bus.
- The district will communicate with the host school on specific safety plans and procedures. Team rosters including names, addresses and phone numbers will be shared with the away team site for contact tracing purposes.
- Teams will adhere to NYS requirements and the District’s travel protocols as outlined in the district’s reopening plan.
- Carpooling to practice/games with people from separate households is highly discouraged.
- If extenuating circumstances require a parent/guardian to transport students to away contests, please contact the coach for further direction regarding entry protocols for the away site.

UPDATED 2/17/2021

**Salem Washington Academy
Winter Season 2021
Basketball Preparedness Plan**

Practices

- Practice times will be staggered to ensure that one team leaves the facility prior to the next team entering. Coaches may not change practice time without permission from the Athletic Director.
- Coaches and athletes should avoid congregating (ensuring 6' of distance between individuals) in common areas near the practice/contest facility.

Advanced Placement

- Eligibility for Varsity will include students in grades 9-12.
- There will be no pre-season advanced placement for the winter 2021 season.

Hygiene

- Coaches, athletes and game officials will be reminded to frequently practice proper hand hygiene which includes washing with soap and water for at least 20 seconds or utilizing hand sanitizer before and after practice/competition..
- Celebrations, including High-fives, fist bumps, and celebratory hugs are prohibited.
- Players will sanitize their hands anytime they come off the court or when there is a break in practice.
- Coaches must adhere to social distancing protocols, unless they are demonstrating a skill/play.
- When not participating in a drill, during a break, or on the bench, student-athletes must adhere to social distancing protocols.
- Athletes/coaches will not place their personal belongings near each other and will follow the protocols established by the practice/game site.

Equipment

- Student-athletes must provide their own water bottle(s), towels, or any other items that may come in contact with an individual's skin
- There will be no sharing of personal equipment or items
- Individual clothing/towels should be washed and cleaned after every workout immediately upon returning home.
- Shared equipment will be cleaned and disinfected frequently. At minimum any shared equipment must be cleaned and disinfected daily.

Food and Drink

- Congregate dining is not permitted when traveling (i.e. stopping at a restaurant after a contest).
- There will be no food consumed during practices or on school transportation.

UPDATED 2/17/2021

**Salem Washington Academy
Winter Season 2021
Basketball Preparedness Plan**

We recognize that participation in sports is an important part of the high school experience. We acknowledge that participation in interscholastic athletics is voluntary. Parents/guardians and students will have to sign off on the attached form acknowledging that they have read this document and agree to follow all requirements as outlined in the plan.

Informed Consent Sign Off

Each parent/guardian must sign a district/school developed COVID-19 informed consent. Signatures on this document (or through Family ID electronically) signifies that parents and athletes understand and/or consent to the following:

- COVID testing of my son/daughter if required;
- Participation in the sport may expose the student-athlete to COVID-19;
- Symptomatic and asymptomatic individuals can spread the virus;
- Masking, distancing, and other mitigation measures reduce, but do not eliminate risk;
- At present, it cannot be predicted who will become severely ill if infected;
- COVID-19 can lead to serious medical conditions and death for people of all ages;
- The long-term effects of COVID-19 are, at present, unknown; even people with mild cases may experience long-term complications;
- There is a significant risk of transmission to those in the home of infected student-athletes.
- Older people and people with *underlying health conditions* are at higher risk of serious disease.
- Rules/guidelines set forth in the Basketball Preparedness Plan for Winter 2021
- Rules/guidelines are subject to change based on updated Department of Health/CDC/NYSED guidelines and directives.
