David J. Glover, Ed. D.
Superintendent

May 11, 2020

Dear Parents/Guardians:

We are at the half-way point of the 4th marking period. Please be in contact with the teachers for assistance, or to relay challenges so we can continue to help keep students on track. We do not know yet if summer school is going to be a possibility this year, so it's important to have a strong finish the last few weeks of school. We expect guidance on summer school at the end of May.

We are waiting for any further guidance from New York State on when school can end. This guidance should also include information regarding the meal program and daycare for children of essential workers. Questions regarding the meal program should be directed to Wendy Cary. Daycare questions should be directed to the superintendent's office. We'll keep you updated as best we can.

Seniors should have received an email invitation to a 'town hall' next week to talk about the rest of the school year. Please reach out to Ms. Adams if they didn't receive an email. Plans are also in the works for our other end of school year recognitions, and events that includes retrieving personal items from gym lockers, hall lockers, and classrooms. We will send details to you soon.

On an unrelated note, work on the building project started this week. Much of the initial work is going to be outside. As a result, we are closing the playground, track, tennis and basketball courts for the summer for the construction. We plan to have new courts and playground in place for the beginning of next school year.

Thank you for everything that you are doing to support your children's education and the school. If you have any questions, please do not hesitate to contact us.

Sincerely,

David J. Glover, Ed. D.
Superintendent
