Superintendent

July 8, 2020

Greetings!

I hope you are having a wonderful summer. It's hard to believe that our last day of school was nearly three weeks ago! We are very busy at school with the building project and getting ready for next school year.

On Wednesday, the governor announced that the state would release its guidance about reopening schools on July 13th and that schools would have to submit a plan to the state by the end of the month. He also indicated that a decision about opening schools in September would come during the first week in August.

As we continue to plan, we would like your input to the process. Please click the link below to take a brief survey about the opening of school, remote learning, and access to the internet. We'll use this information as part of our plan. We'll share more information with you as it becomes available.

On a separate note, the school is working with the Courthouse on a summer feeding program. If you are a family in need of this service, please contact either the school or the Courthouse so we can make arrangements.

If you have any questions or concerns, please do not hesitate to contact the school.

Sincerely,

David J. Glover, Ed. D.
